

Essential

Sustainability
Nalco solves critical natural resource issues, from protecting our air and water to conserving energy and enabling its efficient production.

Return on Investment
Nalco programs affect the performance of both utilities and manufacturing processes. Every touch point positively impacts operating costs and profits.

Expertise

Research
500 researchers (>200 PhDs). 2,000+ patents. Dedicated laboratories. Customer-focused innovations drive 25% of Nalco sales. That defines commitment.

Applications
7,000+ Sales Engineers apply Nalco knowledge worldwide. From steel mills to food and beverage processing, we put our expertise on-site.

Essential Expertise
for Water, Energy and AirSM
